Independent Auditors' Report Transacted from Chinese

To Taiwan Secom Co., Ltd.

Opinion

We have audited the accompanying consolidated balance sheets of Taiwan Secom Co., Ltd. (the "Company") and its subsidiaries as of December 31, 2019 and 2018, and the related consolidated statements of comprehensive income, changes in equity and cash flows for the years ended December 31, 2019 and 2018, and notes to the consolidated financial statements, including the summary of significant accounting policies (together "the consolidated financial statements").

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of the Company and its subsidiaries as of December 31, 2019 and 2018, and their consolidated financial performance and cash flows for the years ended December 31, 2019 and 2018, in conformity with the requirements of the Regulations Governing the Preparation of Financial Reports by Securities Issuers and International Financial Reporting Standards, International Accounting Standards, Interpretations developed by the International Financial Reporting Interpretations Committee or the former Standing Interpretations Committee as endorsed and became effective by Financial Supervisory Commission of the Republic of China.

Basis for Opinion

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and auditing standards generally accepted in the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company and its subsidiaries in accordance with the Norm of Professional Ethics for Certified Public Accountant of the Republic of China (the "Norm"), and we have fulfilled our other ethical responsibilities in accordance with the Norm. Based on our audits, we believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of 2019 consolidated financial statements. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

1. Impairment on Investments Accounted for Under the Equity Method

As of December 31, 2019, the Company and its subsidiaries' investments accounted for under the

equity method amounted to NT\$3,345,514 thousand, which accounted for 15% of consolidated total assets. Management assesses and implements impairment testing whenever there is any indication that an investment accounted for under the equity method is impaired. Given the fact that the amount of investments accounted for under the equity method is significant to the Company and its subsidiaries', the impairment assessment process involves significant management judgment of assumptions used and the calculation model is complicated as well. We determined the matter as a key audit matter.

To reduce the uncertainty for significant accounting judgement, estimation, and assumption related to the evaluation of assets impairment and the determination of recoverable amount, our audit procedures included, but not limited to:

- (1) For the investments accounted for under the equity method which has the indication of impairment, we analyze the method and assumption used by management for impairment testing, which include the reasonableness, completeness, and relation of expected future cash flow, and examine the recoverable amount.
- (2) We adopt our internal professional appraiser to evaluate the management's assessment to assist us to assess the evaluation assumption and method, especially for the parameters of weighted average cost of capital, expected revenue growth rate, discount rate on pre-tax income and rate of gross profit.

We also consider the estimation and the uncertainty on impairment loss on investments accounted for under the equity method adopted by the Company and its subsidiaries', and the appropriateness of the disclosures of accounting assumption. Please refer to Notes 5 and 6.

2. Revenue Recognition

Revenue recognized by the Company and its subsidiaries' amounted to NT\$13,411,677 thousand for the year ended December 31, 2019, and the revenue consists of security system revenue which is the Company's main source of revenue. The customer contracts include various performance conditions and terms, due to the practice of the industry. The company need to make the judgment when the performance obligation is completed based on the terms of customer orders or contracts, and recognized revenue when the Company satisfies a performance obligation. Due to the revenue derived from rendering service received in advance, the timing to recognize the revenue is significant judgment for the Company is determined as a key audit matter.

Our audit procedures included, but not limited to:

(1) Assessing the appropriateness of the accounting policy of revenue recognition and the process of generating and recognizing revenue; evaluating and testing the design and operating effectiveness of internal controls around revenue recognition.

- (2) Selecting samples to perform tests of details, reviewing significant terms and condition of contracts and assessing the performance obligation and the trading price to verify the occurrence of sales transaction.
- (3) Acquiring the detail of the revenue recognition for the contract liabilities for security system revenue by month, and selecting samples to renew the contract period and reassess the accuracy of the amount of revenue recognition to verify the reasonableness of the timing of revenue recognition.
- (4) Executing cut-off testing procedures.

We also consider the appropriateness of the disclosures of operating revenue. Please refer to Note 6.

Emphasis of Matter – Applying for New Accounting Standards

We draw attention to Note 3 of the consolidated financial statements, which describes the Company and its subsidiaries applied for the International Financial Reporting Standard 16, "Leases" starting from January 1, 2019, and elected not to restate the consolidated financial statements for prior periods. Our conclusion is not modified in respect of this matter.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the requirements of the Regulations Governing the Preparation of Financial Reports by Securities Issuers and International Financial Reporting Standards, International Accounting Standards, Interpretations developed by the International Financial Reporting Interpretations Committee or the former Standing Interpretations Committee as endorsed by Financial Supervisory Commission of the Republic of China and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the ability to continue as a going concern of the Company and its subsidiaries, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company and its subsidiaries or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including audit committee or supervisors, are responsible for overseeing the financial reporting process of the Company and its subsidiaries.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with auditing standards generally accepted in the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- 1.Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- 2.Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control of the Company and its subsidiaries.
- 3.Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- 4.Conclude on the appropriateness of management's use of the going concern basis of accounting, and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability to continue as a going concern of the Company and its subsidiaries. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company and its subsidiaries to cease to continue as a going concern.
- 5.Evaluate the overall presentation, structure and content of the consolidated financial statements, including the accompanying notes, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 6.Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Company and its subsidiaries to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the Company audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of 2019 consolidated financial statements and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Others

We have audited and expressed an unqualified opinion including an Emphasis of Matter Paragraph on the parent company only financial statements of the Company as of and for the years ended December 31, 2019 and 2018.

Independent Auditors' Report Translated from Chinese

To Taiwan Secom Co., Ltd.

Opinion

We have audited the accompanying parent company only balance sheets of Taiwan Secom Co., Ltd. (the "Company") as of December 31, 2019 and 2018, and the related parent company only statements of comprehensive income, changes in equity and cash flows for the years ended December 31, 2019 and 2018, and notes to the parent company only financial statements, including the summary of significant accounting policies (together "the parent company only financial statements").

In our opinion, the parent company only financial statements referred to above present fairly, in all material respects, the financial position of the Company as of December 31, 2019 and 2018, and its financial performance and cash flows for the years ended December 31, 2019 and 2018, in conformity with the requirements of the Regulations Governing the Preparation of Financial Reports by Securities Issuers and International Financial Reporting Standards, International Accounting Standards, Interpretations developed by the International Financial Reporting Interpretations Committee or the former Standing Interpretations Committee as endorsed and became effective by Financial Supervisory Commission of the Republic of China.

Basis for Opinion

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and auditing standards generally accepted in the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Parent Company Only Financial Statements section of our report. We are independent of the Company in accordance with the Norm of Professional Ethics for Certified Public Accountant of the Republic of China (the "Norm"), and we have fulfilled our other ethical responsibilities in accordance with the Norm. Based on our audits, we believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the 2019 parent company only financial statements. These matters were addressed in the context of our audit of the parent company only financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

1.Impairment on Investments Accounted for Under the Equity Method

As of December 31, 2019, the Company's investments accounted for under the equity method amounted to NT\$9,029,272 thousand, which accounted for 49% of total assets. Management assesses and implements impairment testing whenever there is any indication that an investment accounted for under the equity method is impaired. Given the fact that the amount of investments accounted for under the equity method is significant to the Company, the impairment assessment process involves significant management judgment of assumptions used and the calculation model is complicated as well. We determined the matter as a key audit matter.

To reduce the uncertainty for significant accounting judgement, estimation, and assumption related to the evaluation of assets impairment and the determination of recoverable amount, our audit procedures included, but not limited to:

- (1) For the investments accounted for under the equity method which has the indication of impairment, we analyze the method and assumption used by management for impairment testing, which include the reasonableness, completeness, and relation of expected future cash flow, and examine the recoverable amount.
- (2) We adopt our internal professional appraiser to evaluate the management's assessment to assist us to assess the evaluation assumption and method, especially for the parameters of weighted average cost of capital, expected revenue growth rate, discount rate on pre-tax income and rate of gross profit.

We also consider the estimation and the uncertainty on impairment loss on investments accounted for under the equity method adopted by the Company, and the appropriateness of the disclosures of accounting assumption. Please refer to Notes 5 and 6.

2. Revenue Recognition

Revenue recognized by the Company amounted to NT\$6,990,449 thousand for the year ended December 31, 2019, and the revenue consists of security system revenue which is the Company's main source of revenue. The customer contracts include various performance conditions and terms, due to the practice of the industry. The Company need to make the judgment when the performance obligation is completed based on the terms of customer orders or contracts, and recognized revenue when the Company satisfies a performance obligation. Due to the revenue derived from rendering service received in advance, the timing to recognize the revenue is significant judgment for the Company is determined as a key audit matter.

Our audit procedures included, but not limited to:

(1) Assessing the appropriateness of the accounting policy of revenue recognition and the process of generating and recognizing revenue; evaluating and testing the design and

operating effectiveness of internal controls around revenue recognition.

- (2) Selecting samples to perform tests of details, reviewing significant terms and condition of contracts and assessing the performance obligation and the trading price to verify the occurrence of sales transaction.
- (3) Acquiring the detail of the revenue recognition for the contract liabilities for security system revenue by month, and selecting samples to review the contract period and reassess the accuracy of the amount of revenue recognition to verify the reasonableness of the timing of revenue recognition.
- (4) Executing cut-off testing procedures.

We also consider the appropriateness of the disclosures of operating revenue. Please refer to Note 6.

Emphasis of Matter – Applying for New Accounting Standards

We draw attention to Note 3 of the parent company only financial statements, which describes the Company applied for the International Financial Reporting Standard 16, "Lease" starting from January 1, 2019, and elected not to restate the parent company only financial statements for prior periods. Our conclusion is not modified in respect of this matter.

Responsibilities of Management and Those Charged with Governance for the Parent Company Only Financial Statements

Management is responsible for the preparation and fair presentation of the parent company only financial statements in accordance with the requirements of the Regulations Governing the Preparation of Financial Reports by Securities Issuers and International Financial Reporting Standards, International Accounting Standards, Interpretations developed by the International Financial Reporting Interpretations Committee or the former Standing Interpretations Committee as endorsed by Financial Supervisory Commission of the Republic of China and for such internal control as management determines is necessary to enable the preparation of parent company only financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the parent company only financial statements, management is responsible for assessing the ability to continue as a going concern of the Company, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including audit committee or supervisors, are responsible for overseeing the financial reporting process of the Company.

Auditor's Responsibilities for the Audit of the Parent Company Only Financial Statements

Our objectives are to obtain reasonable assurance about whether the parent company only financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the Republic of China will always detect a material misstatement when it

exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these parent company only financial statements.

As part of an audit in accordance with auditing standards generally accepted in the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- 7.Identify and assess the risks of material misstatement of the parent company only financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- 8.Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control of the Company.
- 9. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- 10. Conclude on the appropriateness of management's use of the going concern basis of accounting, and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability to continue as a going concern of the Company. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the parent company only financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- 11.Evaluate the overall presentation, structure and content of the parent company only financial statements, including the accompanying notes, and whether the parent company only financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 12.Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Company to express an opinion on the parent company only financial statements. We are responsible for the direction, supervision and performance of the Company audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of 2019 parent company only financial statements and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Shareholders who exercise their voting rights electronically are deemed present in person, and related matters shall be in accordance with the provisions of the law.
- Article 15: A Company resolution is passed during the shareholders' meeting by a majority of attending shareholders who represent more than half of the total number of outstanding shares, except for other regulations in the Company Law.
- Article 16: Resolutions adopted during the shareholders' meeting shall be recorded in the minutes of the meeting, signed or sealed by the Chairman of the shareholders' meeting and distributed to the shareholders within 20 days after the meeting. The production and distribution of proceedings could be made in electronic form; the distribution of the former proceeding shall be made through public announcement.

Article 17: (Deleted).

Chapter 4 The Board of Directors and Directors

Article 18: The Board of Directors of the Company shall appoint 11 directors by means of a candidate nomination system, and the shareholders shall elect directors from among the nominees for a three-year term who may be re-elected after the term. The number of appointed directors mentioned earlier shall have no less than three independent directors. The professional qualification, shareholding, part-time job restrictions, nominations, means of

election, as well as other relevant issues should all be in accordance with the regulations of the competent authority. Independent directors and non-independent directors shall be elected at the same time to calculate the elected places separately.

- Article 19: The Company shall authorize the Board of Directors to discuss and decide the compensation for the Chairman, Vice Chairman and directors based on their contributions to the Company. The compensation for independent directors should be discussed and decided based on the directors' contributions to the Company every month, while considering industry standards at the same time. However, these independent directors shall not be included in the distribution of compensation according to Article 26.
- Article 20: The Board of Directors shall elect a chairman and a vice chairman of the Board of Directors from among the directors by a majority vote at a meeting attended by over two-thirds of the directors.

The Chairman shall preside over all business on behalf of the Company. In case the Chairman is on leave or absent or cannot exercise his/her power and authority for any cause, the matters related to proxy shall be conducted in accordance to / Article 208 of the Company Law.

Article 21: The board meets at least once a quarter, and in case of an emergency, a special meeting may be held if necessary. All prior meetings mentioned are all convened by the Chairman. When the director cannot attend the BOD meeting, he/she shall assign another director as a proxy. Unless otherwise provided for in the Company Act, resolutions of the Board of Directors shall be adopted by a majority of the directors at a meeting attended by a majority of the directors.

A notice of a BOD meeting may be made by fax, E-mail, or other methods of electronic communication.

- Article 22: The Company has instituted a just, fair, and open Procedure for the Election of Directors in accordance with the Company Act.
 - If there is a shortfall of one-third of the directors, the Board of Directors shall convene a special shareholders' meeting for the by-election within 60 days. The tenure of succeeding directors shall expire at the end of the original service period.
- Article 23: The Company sets up the Audit Committee in accordance with the regulations of the Securities and Exchange Act. The members of the Audit Committee shall consist of all managing directors. The execution and other relevant matters pertaining to powers of the Audit Committee shall be in accordance with the Company Law, the Securities and Exchange Act and other regulations.

Chapter 5 Managerial Personnel

Article 24: The Company has managerial personnel. The appointment, discharge and remuneration

thereto shall be subject to Article 29 of the Company Law.

Chapter 6 Final Accounts and Surplus Distribution

- Article 25: At the end of the Company's fiscal year, the BOD shall edit the following proposals and submit them to the shareholders' meeting for ratification:
 - (1) Annual Business Report
 - (2)Financial Statement
 - (3)Appropriation of profits and remedy in the event of loss
- Article 26: If the Company has earnings for the year (The so-called earnings refer to pre-tax net earnings before deducting the benefits and compensation distributed to employees and directors.), it shall be no less than 1% for employee compensation and no more than 4% for directors' remuneration. However, the Company still has accumulated losses (including the adjustment to the amount of surplus which has not yet been distributed). The amount of compensation should be retained in advance. The employee compensation in the preceding paragraph is paid in the form of either stock or cash, and the target recipients may include employees of the auxiliary companies subject to conditions set by the Board of Directors. The directors' remuneration in the preceding paragraph may only be paid in cash. The first two subjects shall be decided by the Board of Directors and reported during the shareholders' meeting.
- Article 27: If there is a surplus in the company's annual final accounts which is equal to the after-tax net earnings of this term, the Company should first make up for the accumulated losses (including adjusting the undistributed surplus amount), and allocate 10% to the statutory surplus reserved according to law; however, if the statutory surplus accumulation has reached the total amount of the company's paid-in capital, such limit does not apply. Secondly, this is a legal order to allocate or retain a special reserve according to regulations or the competent authority. If there is any surplus, the BOD shall make a proposal for surplus distribution, including undistributed surplus in the beginning of this term, and report this during the shareholders' meeting to resolve the distribution of dividend to the shareholders. There is business development potential for the Company which observes the economic environment in order to sustain its business and long-term development. Therefore, when the BOD draws up the surplus distribution proposal, it will focus on the stability and growth of dividends. A cash or stock dividend policy is adopted, with cash allotment of no less than 10%.

Chapter 7 Supplementary Provisions

Article 28: The Company can have a foreign investment according to the necessity of the business, and it can be a shareholder with limited responsibility of another company, after approval of the BOD. Its total amount of foreign investment shall not be subject to the limitation in

- Article 13 of the Company Law.
- Article 29: The organization, regulations and procedure of the BOD and branches of the Company's affiliates are regulated by the board of directors.
- Article 30: Any unspecified matters in this Articles of Incorporation shall be dealt with in accordance with the Company Law.
- Article 31: These Articles of Incorporation were drawn up on the thirty-first of August 1977. The first amendment was effected on the thirtieth of September 1977. The second amendment was effected on the twenty-first of October 1977. The third amendment was effected on the fifteenth of December 1978. [Appendix 2]

Taiwan Secom Co., Ltd. Procedure for the Election of Directors

Approved during the meeting of shareholders on Jun. 22, 2017

Article 1

Except as otherwise provided by law and regulation or by this Company's Articles of Incorporation, elections of directors shall be conducted in accordance with these Procedures.

Article 2

The overall composition of the Board of Directors shall be taken into consideration in the selection of this Corporation's directors. The composition of the Board of Directors shall be determined by taking diversity into consideration and formulating an appropriate policy on diversity based on the Company's business operations, operating dynamics, and development needs. It is advisable that the policy include, without being limited to, the following two general standards:

- 1. Basic requirements and values: Gender, age, nationality, and culture.
- 2. Professional knowledge and skills: A professional background (e.g., law, accounting, industry, finance, marketing, or technology), professional skills, and industry experience.

Each board member shall have the necessary knowledge, skill, and experience to perform their duties. The abilities that must be present in the board as a whole are as follows:

- 1. The ability to make judgments about operations.
- 2. Accounting and financial analysis ability.
- 3. Business management ability.
- 4. Crisis management ability.
- 5. Knowledge of the industry.
- 6. An international market perspective.
- 7. Leadership ability.
- 8. Decision-making ability.

More than half of the directors shall be persons who have neither a spousal relationship nor a relationship within the second degree of kinship with any other director.

The Board of Directors of this Company shall consider adjusting its composition based on the results of performance evaluation.

Article 3

The qualifications for the Independent Directors of the Company shall comply with the Regulations Governing the Appointment of Independent Directors and Compliance Matters for Public

Companies.

The election of Independent Directors of the Company shall comply with the "Regulations Governing the Appointment of Independent Directors and Compliance Matters for Public Companies", and shall be conducted in accordance to the "Corporate Governance Best Practice Principles for TWSE/TPEX Listed Companies".

Article 4

Elections of both directors and supervisors at this Corporation shall be conducted in accordance with the candidate nomination system and procedures set out in Article 192-1 of the Company Act. This Corporation shall review the qualifications, education, working experience, background, and the existence of any other matters set forth in Article 30 of the Company Act with respect to nominee directors and supervisors and may not arbitrarily add requirements for documentation of other qualifications. It shall further provide the results of the review to shareholders for their reference, so that qualified directors and supervisors will be elected.

When the number of Directors falls below five due to the dismissal of a Director for any reason, the Company shall hold a by-election to fill the vacancy at its next shareholders meeting. When the number of directors falls short by one third of the total number prescribed in this Company's Articles of Incorporation, this Company shall call a special shareholders meeting within 60 days from the date of occurrence to hold a by-election to fill the vacancies.

When the number of independent directors falls below that required under the proviso of Article 14-2, paragraph 1 of the Securities and Exchange Act, or the related provisions of the Taiwan Stock Exchange Corporation rules governing the review of listings, or subparagraph 8 of the Standards for Determining the Unsuitability for GTSM Listing under Article 10, Paragraph 1 of the GreTai Securities Market Rules Governing the Review of Securities for Trading on the GTSM, a by-election shall be held at the next shareholders meeting to fill the vacancy. When the independent directors are dismissed en masse, a special shareholders meeting shall be called within 60 days from the date of occurrence to hold a by-election to fill the vacancies.

Article 5

The cumulative voting method shall be used for election of the directors at the Company. Each share will have voting rights in a number equal to the directors to be elected, and may be cast for a single candidate or split among multiple candidates.

Article 6

The Board of Directors shall prepare ballots for directors in numbers corresponding to the directors to be elected. The number of voting rights associated with each ballot shall be specified on the

ballots, which shall then be distributed to the attending shareholders at the shareholders meeting. Attendance card numbers printed on the ballots may be used instead of recording the names of voting shareholders.

Article 7

The number of Directors will be as specified in this Company's Articles of Incorporation, with voting rights separately calculated for independent and non-independent director positions. Those receiving ballots representing the highest numbers of voting rights will be elected sequentially according to their respective numbers of votes. When two or more persons receive the same number of votes, thus exceeding the specified number of positions, they shall draw lots to determine the winner, with the chair drawing lots on behalf of any person not in attendance.

Article 8

Before the election begins, the chair shall appoint a number of persons with shareholder status to perform the respective duties of vote monitoring and counting personnel. The ballot boxes shall be prepared by the Board of Directors and publicly checked by the vote monitoring personnel before voting commences.

Article 9

If a candidate is a shareholder, a voter must enter the candidate's account name and shareholder account number in the "candidate" column of the ballot. For a non-shareholder, the voter shall enter the candidate's full name and identity card number. However, when the candidate is a governmental organization or juristic-person shareholder, the name of the governmental organization or juristic-person shareholder shall be entered in the column for the candidate's account name in the ballot paper, or both the name of the governmental organization or juristic-person shareholder and the name of its representative may be entered. When there are multiple representatives, the names of each respective representative shall be entered.

Article 10

A ballot is invalid under any of the following circumstances:

- 1. The ballot was not prepared by the Board of Directors.
- 2. A blank ballot is placed in the ballot box.
- 3. The writing is unclear and indecipherable or has been altered.
- 4. The candidate whose name is entered in the ballot is a shareholder, but the candidate's account name and shareholder account number do not conform with those given in the shareholder register, or the candidate whose name is entered in the ballot is a non-shareholder, and a cross-check

shows that the candidate's name and identity card number do not match.

- 5. Other words or marks are entered in addition to the candidate's account name or shareholder account number (or identity card number) and the number of voting rights allotted.
- 6. The name of the candidate entered in the ballot is identical to that of another shareholder, but no shareholder account number or identity card number is provided in the ballot to identify such individual.

Article 11

The voting rights shall be calculated on site immediately after the end of the poll, and the results of the calculation, including the list of persons elected as directors and the numbers of votes with which they were elected, shall be announced by the chair or the person designated by the chair on the site. The ballots for the election referred to in the preceding paragraph shall be sealed with the signatures of the monitoring personnel and kept in proper custody for at least one year. If, however, a shareholder files a lawsuit pursuant to Article 189 of the Company Act, the ballots shall be retained until the conclusion of the litigation.

Article 12

Any matters that are not addressed in these Procedures shall be governed by The Company Act and relevant laws.

Article 13

These Procedures, and any amendments hereto, shall be implemented after approval by a shareholders meeting.

[Appendix 3]

Taiwan Secom Co., Ltd. Rules of Procedure for Shareholders Meetings

Approved during the meeting of shareholders on June 22nd, 2017

- Article 1: The shareholders' meeting shall be held in accordance with the company's rules of procedure.
- Article 2: The venue for the shareholders' meeting shall be within the county or city where this Corporation is located, or a place easily accessible to shareholders and suitable for a shareholders' meeting. The meeting may begin no earlier than 9 a.m. and no later than 3 p.m.
- Article 3: For each shareholders' meeting, a shareholder may appoint a proxy to attend the meeting by providing the proxy form issued by this Corporation and stating the scope of the proxy's authorization. A shareholder may issue only one proxy form and appoint only one proxy for any given shareholders' meeting. The proxy form and related materials shall be handled and retained according to relevant laws and regulations.
 - Shareholders (or their proxies) shall attend the shareholders' meeting based on attendance cards, sign-in cards, or other certificates of attendance; solicitors soliciting proxy forms shall also bring identification documents for verification.
- Article 4: Attendance at shareholders meetings shall be calculated based on the number of shares.
 - The number of shares in attendance shall be calculated according to the shares indicated by the attendance book and sign-in cards handed in plus the number of shares whose voting rights are exercised by correspondence or electronically.
- Article 5: This Corporation may appoint its attorneys, certified public accountants, or related persons retained by it to attend a shareholders' meeting in a non-voting capacity. Staff handling administration affairs of a shareholders' meeting shall wear identification cards or arm bands.
- Article 6: If a shareholders' meeting is convened by the Board of Directors, the meeting shall be presided over by the Chairperson of the Board. When the Chairperson of the Board is on leave or for any reason unable to exercise his/her powers, a proxy shall be appointed in accordance with the Company Law. When a director serves as Chair, as referred to in the preceding paragraph, the director must have held that position for six months or more and understands the financial and business conditions of the

company. The same holds true for a representative of a juristic person director that serves as Chair. If a shareholders' meeting is convened by a party with power to convene but other than the Board of Directors, the convening party shall chair the meeting. When there are two or more such convening parties, they shall mutually select a chair from among themselves.

- Article 7: When the attending shareholders represent the majority of the total number of issued shares, the Chair shall call the meeting to order. If the meeting has exceeded the allotted time, but the quorum is not met, the Chair may announce a postponement, provided that two such postponements are made; i.e., 20 minutes followed by 10 minutes. If the quorum is still not met after two postponements, and the attending shareholders represent one-third or more of the total number of issued shares, the tentative resolution may be adopted pursuant to Article 175, Paragraph 1 of the Company Act.
- Article 8: If a shareholders' meeting is convened by the Board of Directors, the meeting agenda shall be set by the Board of Directors. The meeting shall proceed in the order set by the agenda, which may not be changed without a shareholders' resolution. The Chair may not declare the meeting adjourned prior to completion of deliberation on the meeting agenda specified in the preceding paragraphs (including extraordinary motions), except by a shareholders' resolution. If the Chair violates the rules and declares the meeting adjourned, one person may be elected to be the Chair at the shareholders' meeting by the majority of attending shareholders who represent more than half of the total number of outstanding shares, in order to continue the meeting.

If the meeting has been adjourned according to a resolution, the shareholders cannot elect another Chair and continue the meeting at the same address or find other venues.

- Article 9: When a meeting is in progress, the Chair may announce a break as deemed necessary due to time constraints.
- Article 10: When a juristic person is appointed to attend as proxy, it may designate only one person to represent it in the meeting. When a juristic person shareholder appointed two or more representatives to attend a shareholders' meeting, only one of the representatives so appointed may speak on the same proposal.
- Article 11: Before speaking, an attending shareholder (or a proxy) must specify on a speaker's slip the subject of the speech, his/her shareholder account number (or attendance card number), and account name. The order in which shareholders speak will be set by the Chair. A shareholder (or a proxy) in attendance who has submitted a speaker's slip but does not actually speak shall be deemed to have not spoken. When the content of the speech does not correspond to the subject given on the speaker's

slip, the spoken content shall prevail. When an attending shareholder is speaking, other shareholders may not speak or interrupt unless they have sought and obtained the consent of the Chair and the shareholder that has the floor. The Chair shall stop any violation.

- Article 12: Except with the consent of the Chair, a shareholder may not speak more than twice on the same proposal, and a single speech may not exceed 5 minutes. If the shareholder's speech violates the rules or exceeds the scope of the agenda item, the Chair may terminate the speech.
- Article 13: The Chair may direct the proctors (or security personnel) to help maintain order at the meeting place. When the proctors (or security personnel) help maintain order at the meeting place, they shall wear an armband bearing the word "Proctor".
- Article 14: After an attending shareholder has spoken, the Chair may respond in person or direct relevant personnel to respond.
- Article 15: The Chair shall allow ample explanation and discussion of proposals and of amendments or extraordinary motions put forward by the shareholders; when the Chair is of the opinion that a proposal has been discussed sufficiently to put it to a vote, the Chair may announce the discussion closed and call for a vote.
- Article 16: When the company convenes a shareholders' meeting, it shall allow exercises of voting rights in electronic or written form. Unless a special resolution stipulated under the Company Act, compliance with regulations on the passage of all proposals shall require an affirmative vote of a majority of attending shareholders with voting rights.
- Article 17: Vote monitoring and counting personnel for the voting on a proposal shall be appointed by the Chair, provided that all monitoring personnel shall be shareholders of this Corporation. The vote counting process during the shareholders' meeting or the proposal for election shall proceed publicly at the site of the shareholders' meeting, and the results of the voting shall be announced on the spot after finishing the counting of votes, including the statistical number of voting rights, which shall be recorded.

Shareholders shall elect directors during the shareholders' meeting in accordance with relevant company regulations pertaining to the election and appointment. The results of the election shall be announced on the spot, including the list of elected members and their elected numbers of voting rights.

The votes for the subjects during the election referred to in the preceding paragraph shall be sealed

and signed by the vote monitoring personnel and shall be kept in good condition for at least one year. However, if a shareholder files a lawsuit in accordance with Article 189 of the Company Law, the votes shall be kept at least until the termination of the lawsuit.

- Article 18: When there is an amendment or an alternative to a proposal, the Chair shall decide the order in which they will be put to a vote, including the original subject. When any one among them is passed, the order proposals will then be deemed rejected, and no further voting shall be required.
- Article 19: This Company shall make a continuous and uninterrupted audio and video recording of all procedures, like the attendance and registration of shareholders, meeting process, and the voting & counting votes. The preceding audio and video shall be kept for at least one year, but if a shareholder files a lawsuit in accordance with Article 189 of the Company Law, they should be kept until the termination of the lawsuit.
- Article 20: When there is any issue not stipulated in these rules to be against the law, it should be handled in accordance with the Company Law or other related regulations or Articles of Incorporation.
- Article 21: Any proposed modification of these rules shall be submitted to the Board of Directors for resolution followed by approval during the shareholders' meeting, so that it can be executed
